Bajaj Allianz unveils two-wheeler package policy

Private non-life insurer Bajaj Allianz General Insurance on Monday said it has launched a long-term two-wheeler package policy under which two-wheelers can be insured for up to three consecutive years at one go. The policy also comes with a 24x7 roadside assistance service, along with a two-wheeler policy in the market. This service will be offered complimentary to women customers through the company's service provider during the first year of the launch. As part of the plan, the insured does not have to renew the contract every year as he gets one policy certificate for a maximum of three years of cover.
