**Bajaj Allianz's health policy
with unlimited sum insured**

Bajaj Allianz General Insurance has launched 'Health Infinity', an individual health insurance policy that provides unlimited sum insured (SI). Under this policy, a person can choose the coverage limit according to the per day room rent options, which range from ₹3,000 to ₹50,000. Based on the chosen option, she/he will be indemnified 100 times the per day room rent limit. If the claim amount exceeds this, a co-payment of 15, 20 or 25 per cent is applicable, as opted by the customer at the time of purchasing the policy.

An individual can opt for the SI for spouse, dependent children and parents per the applicable premium rate based on the age of each family member. The entry age is 18-65 years and for dependent children it's three months to 25 years. Pre-existing diseases are covered after 36 months.
