### [Top insurers hail Budget 2022, but wanted more focus on life insurance](#)

*Vibha Padalkar, MD& CEO of HDFC Life, believes that though the Union Budget was a growth-led one, two factors tempered her enthusiasm - inflation and focus on privatisation. Meanwhile, Tapan Singhel, MD and CEO of Bajaj Allianz General Insurance, has a mixed reaction towards the Budget. Singhel applauded the government's focus on green energy and national health digital mission, but was disappointed that the government did not announce incentives for health insurance. Padalkar and Singhel shared their views with Amol Dethe, ETBFSI, Editor, on our Budget live show, held on Feb 1 post the announcement. Tune in..*
