Keynote Address: Tapan Singhel, MD & CEO, Bajaj Allianz General Insurance Co. Ltd

Topic: 20 years of Bajaj Allianz General Insurance: The secret to operating with a nimbleness of a start-up

Key Highlights:

- + Bajaj Allianz company had to be known for paying the claims faster than the customer expects.
- + We came up with the concept of a cashless claim.
- + In-house services like paramedical staff and insurance partners helped us to grow.
- + Our bet on available tech and future tech competence has always kept us ahead.
- + The challenge is not the present technology, it is about solving future problems which will redefine the industry from time to time.
