Commenting on the launch Tapan Singhel , MD & CEO, Bajaj Allianz General Insurance said, "Advisors are the backbone of the insurance industry. They are there to offer the best advice to customers and are there for them in their direst hour of need to guide them. We wanted to celebrate and recognize the efforts of these advisors who make a real difference to society. With this in mind, we have conceptualized India's first-ever General Insurance Festival of India (GIFI), where we will honour the best of such advisors through the GIFI awards. In the first year, we want to honour and celebrate the best agents from the industry, irrespective of which company they work with. We encourage advisors to apply for the award and join us in celebrating their hard work and dedication. We have industry stalwarts on the jury panel for these awards. They will be assisted in this assessment by an independent process reviewer."

Bajaj Allianz General Insurance with the General Insurance Festival of India event is thrilled to celebrate advisors across organizations and the industry who have helped to take the general insurance industry to every corner of our country.
