# Bajaj Allianz' new missed call service

Mumbai, March 16

Bajaj Allianz General Insurance has introduced a missed call service for its travel insurance customers, who can receive assistance while travelling overseas. The customer can seek assistance by giving a missed call on +91 124 6174720 free of cost across the world. It helps resolve their queries on any of the policy benefits, claims process, location of medical facilities in the near vicinity, loss of passport, and delay or loss of checked-in baggage.
