Bajaj Allianz launches wellness platform

BAJAJ ALLIANZ has launched a wellness platform 'Pro-Fit' which will act as a one-stop solution to all the health record tracking and fitness needs of the customer and their family members. Through this platform, the customer can monitor and improve their health and lifestyle. Irrespective of the policies customers have, they can store their health records, track their fitness level, get reminders for vaccinations or medications, have live chat with doctor, track lab parameters and be a part of various health challenges. Pro-Fit is available on the company's self — service app 'Insurance Wallet' and can also be accessed on the company website.
